Spezzone di spirale in PVC ignifugo ad alta resistenza da utilizzare come protezione antiusura per le tubazioni di varie misure. Il suo utilizzo è consigliato a completamento degli impianti oleodinamici realizzati sui trattori per semirimorchio.

*High resistant and fire-extinguisher PVC spiral to protect hose against wear.
It is recommended as useful accessory for wet kits on tractor trucks.*

ATTENZIONE: tutte le operazioni relative al montaggio, devono essere eseguite **IN SICUREZZA** secondo le norme vigenti.

ATTENTION: all the operations related to the assembling of these components have to be carried out in respect of the current **SAFETY** regulations in place
